Under the will, a number of small properties and debts were made over to the executor Kunkata Sahbaiya who was directed to see that certain services were performed for the benefit of the testator and his executors. The executor now prays that the whole estate may be taken over by Govt and the stipulated services performed.

The properties themselves are much too small for Govt to assume management and it is doubtful if Govt can proceed to collect the debts at the desire of a new executor. The only sensible course would appear to be for Kunkata Sahbaiya to realize the assets and deposit them with Govt as in Saving Bank. It is not as if the income is wholly for the benefit of a Religious institution, in which case some action on the part of Govt might be called for. The income has the expenses for certain specific services. Now that Kunkata Sahbaiya has undertaken the responsibilities of an executor, he cannot even pass them on to Govt without discharge

Sir,

Adverting to your official Memorandum No. 3017/Misc I 712-11-2 dated 13th June 1912 forwarding for report petition from Shanbhog Venkataramiah of Mathavar, Chikmagalur Taluk, regarding the properties willed by the late Devappa Setty for the benefit of the Swami in the Jain Basti at

at Shravanabelagola. I have the honor to forward herewith a list of works made over by late Chandrappa Setty of Mathavar by means of a will in favor of the institution in question and to state as follows.—

1. One Chandrappa Setty of Jain Sect of Mathavar Village, Chikmagalur Taluk, who was heirless, bequeathed all his properties both movable and immovable for the benefit of the Jain Bastis at Hassan by means of a will executed by him on 27 4 1911 It is mentioned in the will that out of the annual income from the lands and the assets thus made over to the Bastis, the following Seevas should be conducted every year in

the

the Bastis: -

(a). 108 " Nampis (ಬಸದಿಗಳಲ್ಲಿ) according to Jain religion in memory of the family to which the deceased belonged.

(b) Santarpane.

(c) A sum of 0-14-0 should be paid to the Mathadipathi at Sravanabelagola every year as "Ahara Kanike" (feeding expenses) on behalf of the family of the deceased.

2. It is seen from the will that Shanbhog Venkataambiah of Mathavara should look after the management of the properties and see that the stipulated Sevas are duly conducted every year. The will and other ~ and accounts connected properties in question are

are in the custody of Venkatasubbaiah who now states that he finds it difficult to arrange for the Sevas being conducted regularly every year since Mathuvar is too distant from Hassan where the Sevas are to take place and requests that all the properties may be taken under Government Management and the Stipulated Sevas conducted through Government agency.

3. The Amildar reports that no income is being derived from the dry land, the house and kittal and that the net income which the wet land yields is also very poor and he further suggests that all these lands may

may be asked to be sold in public
auction and the sale proceeds which
may go to about Rs 400/- together
with the money assets of Rs 336-6
ie 736-0-6 in all deposited in the
Government Savings Bank so that
the necessary expenses for the intended
sewer might be defrayed from the
interest which might accrue thereon
every year. The villagers are also agreeable to
to the proposal of the Amildar.
4. In these circumstances I am
of opinion that the properties in
question may be kindly ordered
to be sold by public auction
and the sale proceeds as well as
the money assets of Rs 336-0-6
ited in the Government
Savings

Savings Bank at Hassan in the
name of the Deputy Commissioner
of that District for Jain Basties.
